Volunteer Eligibility

Special Olympics Texas makes the distinction between regular volunteers (Class A) and day-of-event volunteers (Class B). Each class has its own roles and responsibilities within SOTX.

Special Olympics Volunteer Screening Policy in Texas

A person's volunteer participation in Special Olympics Texas (SOTX) is an opportunity and privilege; it is not an entitlement. Special Olympics Texas has the right and responsibility to protect the well-being and safety of its participants: athletes, coaches, volunteers, staff and spectators.

Although Special Olympics cannot guarantee the safety of all participants, it recognizes its responsibility to take all reasonable steps to promote and ensure a safe environment for all. To that end, after considerable study and investigation, Special Olympics, Inc. (SOI) has developed and adopted a mandatory volunteer screening policy to set certain standards for each of the U.S. programs to follow with regard to both Class A and Class B volunteers.

Special Olympics Texas, in order to implement the U.S. Volunteer Screening Policy adopted by SOI, adopts the below policy and procedures.

Class A Volunteers

- Volunteers who have regular, close physical contact with athletes (e.g., coaches, chaperones, Unified Partners®, etc.).
- Volunteers who are in a position of authority or supervision (real or apparent) (e.g., board members, committee members, officials, etc.).
- Volunteers who are in a position of trust (e.g., competition key volunteers, etc.).
- Volunteers who handle substantial amounts of cash (\$15,000 or more annually) or other assets of the program (e.g., fund raising volunteers, certain Torch Run volunteers, Games Organizing Committee members, etc.).

To be considered for participation with Special Olympics Texas as a Class A volunteer, the applicant must submit to SOTX a signed, completed and truthful Class A Volunteer Application before taking on any volunteer responsibilities. An applicant is only considered a registered Class A volunteer after submitting a Class A Volunteer Application, attending General Orientation and Protective Behaviors trainings, and passing the criminal background check, not prior to those events.

The Special Olympics U.S. Risk Management and Insurance Task Force created online Protective Behaviors training material. The training material is a critical tool for protecting Special Olympics athletes from sexual, physical and emotional abuse.

All new Class A volunteer applicants must complete the online training before they can become a Class A volunteer. The training must be completed at least once every three years.

Please visit: www.specialolympics.org/protectivebehaviors to complete the online training.

After completing the online training, volunteers will be asked to complete a 10 question test and submit their name and contact information.

Volunteers who do not have access to the internet may request a CD or written version of the Protective Behaviors training. They will then complete a hard copy of the 10 question test and submit that test to the state office. Please contact the Director of Volunteer Services to receive the CD or written version of the online training, the hard copy test or additional information regarding the Protective Behaviors training.

The decision of SOTX with regard to any Class A volunteer's application rests within the sole and absolute discretion of SOTX. In exercising that discretion, SOTX shall be guided by its mission statement and the policy and procedure set forth herein.

1. Application Process:

- a. All Class A volunteers shall be screened for participation in the Special Olympics program. Once screened and registered, Class A volunteers must re-register as a Class A volunteer every three years as well as be re-screened by SOTX every three years by: 1) submitting a new Class A Volunteer Application, 2) retaking Special Olympics, Inc. Protective Behaviors, and 3) passing the criminal background check.
- b. Each Class A volunteer shall submit a Class A Volunteer Application and be subject to a criminal background check, and where applicable under this policy, to a motor vehicle record check.
- c. Motor Vehicle Record Check: If an applicant answers "yes" to the question regarding their driving record on the volunteer application, or if the program receives information through the background check that the applicant may have motor vehicle related convictions, then the program shall conduct a motor vehicle record check for that applicant.

VOLUNTEER ELIGIBILITY

- d. Prospective volunteers who are under the age of 18 shall not be subject to a criminal background check but must submit the Class A Minor Reference Form in lieu of the criminal background check.
 - e. In conducting the required criminal background check, SOTX shall use a SOI approved vendor who uses a national database that includes the sex offender registry for each state in which the sex offender registry is available.
2. Orientation:
 - a. All Class A volunteers shall attend the General Orientation training as directed by SOTX, whether in person or online.
 - b. All Class A volunteers shall attend the SOI Protective Behaviors training (available online at www.specialolympics.org/protectivebehaviors).
 3. Day of Event:
 - a. On the day of each event, the registered Class A volunteer shall report to a designated volunteer coordinator for that event and verify his/her identify via a photo identification.
 - b. The program has the option at any time to issue SOTX approved credentials to a volunteer that may replace the requirement for a photo identification provided that the procedure undertaken by SOTX ensures that the credentials are issued to a registered volunteer and that the credentials are non-transferable.

Class B Volunteer

- Volunteers who only have limited contact with athletes or who have contact with athletes accompanied by coaches and chaperones (e.g., day of event volunteers, certain Torch Run volunteers (those raising less than \$15,000 annually), Healthy Athletes volunteers, etc.).

To be considered for participation with SOTX as a Class B volunteer, the applicant must submit a signed, completed and truthful Class B Registration Form to SOTX before taking on any volunteer responsibilities. An applicant is only considered a registered SOTX volunteer after submitting a Class B Registration Form and passing the photo identification check, not prior to those steps.

As with Class A volunteers, the decision of SOTX with regard to any Class B volunteer's acceptance rests within the sole and absolute discretion of SOTX. In exercising that discretion, SOTX shall be guided by its mission statement and the policy and procedure set forth herein.

1. Application Process: All Class B volunteers shall be screened for participation in the Special Olympics program as follows: Class B volunteers shall apply for participation by submitting a Day of Event Volunteer Registration Form at each event.
2. Orientation: All volunteers shall attend a Class B volunteer orientation program as directed by SOTX.

1. SOTX shall use a standard Class A Volunteer Application to obtain the required Special Olympics release and an appropriate authorization to conduct a criminal background check and if required, a motor vehicle record check.
2. SOTX's Class A Volunteer Application has been reviewed by legal counsel and is in compliance with all applicable state laws and regulations.
3. SOTX shall train its staff on the automatic or potential disqualifiers as a result of the background checks.

Privacy Policy

SOTX recognizes that some of the information sought in the Class A Volunteer Application may be of a sensitive nature. This information is only required because of the responsibility that SOTX has to protect the well-being of all participants: athletes, coaches, volunteers, staff and spectators.

SOTX will only use this information to conduct criminal background checks, including sex offender registries and motor vehicle checks as mandated by Special Olympics, Inc. policy.

SOTX presently has a policy in place that directs all SOTX employees to maintain the confidentiality of all information obtained as part of the volunteer application process and SOTX has procedures in place to keep all sensitive information confidential.

Should you have any questions concerning the volunteer application or this privacy policy, please contact the Director of Volunteer Services.

- Three or more DWI convictions or comparable offenses in his/her lifetime

If the criminal background check or motor vehicle record check discloses a conviction for any of the offenses listed below, the volunteer applicant shall automatically be disqualified from driving on behalf of SOTX until five years following the latest conviction and will receive a certified letter as notification of this restriction:

- Up to two DWI convictions or comparable offenses in the last five years

3. Traffic Violation Restrictive Disqualifiers

If the criminal background check or motor vehicle record check discloses convictions for three or more moving violations within the three years immediately preceding the record check, the volunteer applicant shall automatically be disqualified from driving on behalf of SOTX and will receive a certified letter as notification of this restriction.

4. Other Restrictive Disqualifiers

If the criminal background check discloses a conviction, other than those on Appendix A list, SOTX will reject the volunteer applicant or restrict his/her volunteer role based on the severity of the offense and the date of the offense.

5. Deferred Adjudication

With regard to any criminal or traffic violation, the granting of a deferred adjudication, or any similar disposition under the laws of another state whereby a finding of guilt is withheld or otherwise stayed, shall be considered a "conviction" for purposes of SOTX policy and one's suitability to serve as a volunteer.

Appeal Process

The rejected volunteer applicant shall have the right to appeal SOTX's decision in two specific instances:

1. To declare that the criminal background check is in error and the applicant is not the person with the conviction (e.g., "It's not me!") or
2. To admit that the conviction information is correct, but there were extenuating circumstances behind the crime (e.g., "It's me, but...").

In case of an erroneous background check, the applicant should contact Intellicorp Records, Inc. (the Director of Volunteer Services can supply the contact information) and coordinate with them in correcting the error in the report. After Intellicorp has corrected their records, the applicant will be screened again for SOTX to determine his/her eligibility as a volunteer. **Note:** Please refer to Appendix E for Intellicorp's contact information and error process.

In case of extenuating circumstances, the applicant has the right to appeal the rejection of his/her volunteer application under this paragraph by written request and explanation to the Director of Volunteer Services, within 30 days of the program's notification to the volunteer applicant (date of letter).

Upon the receipt of appeal request, the Director of Volunteer Services shall verify that the applicant was truthful on the Class A Volunteer Application regarding the four SOI Volunteer Qualifier Questions:

1. Do you use illegal drugs?
2. Have you ever been convicted of a criminal offense?
3. Have you ever been charged with neglect, abuse, or assault?
4. Has your driver license ever been suspended or revoked in any state?

If the applicant was truthful on the application and disclosed the conviction(s), the Director of Volunteer Services will confer with the Vice President of Field Services as well as the SOTX legal counsel, as needed, regarding the applicant's appeal request and explanation to weigh the applicant's overall appropriateness to be a volunteer for the program.

If the applicant was not truthful on the application and did not disclose the conviction(s), the appeal will immediately be denied regardless of the circumstances.

In either case, the program's decision not to accept a volunteer applicant is binding until the final decision is made regarding the applicant and his/her appeal, meaning no volunteering is allowed while the appeal is pending. SOTX shall have the right and the authority to make the final decision as to the acceptance of any volunteer applicant under this section.

All appendices (A-E) are available online at www.specialolympicstexas.org.

Age Eligibility for Volunteers

- For most Class A volunteers, the minimum age to volunteer is 15 years old.
- The four exceptions to this rule are head coaches, heads of delegation, bus drivers and chaperones, who all must be at least 18 years old to volunteer in these positions.
- Class A volunteers who volunteer for statewide competition must be at least 15 years old.
- Class B volunteers have a different age breakdown:
 - 15 years old and older – can volunteer by themselves.
 - 8 -14 years old – must be accompanied by a parent, guardian or chaperone.
 - 7 years old and younger – are not given volunteer assignments, but are welcomed and encouraged to be cheerleaders or spectators at competitions, accompanied by a parent/guardian.
- 8 -14 years old in a group situation need a 4 to 1 ratio – meaning one adult (18 years old or older) for every four children. These groups usually include scout troops, school classes, church groups, etc. For example, if there was a group of 17 11-year-olds who wanted to volunteer for an event, five chaperones must accompany them.

Athletes as Volunteers

- Special Olympics Texas athletes are welcomed and encouraged to volunteer in various roles within the organization, dependent on the individual's interest and abilities.
- All athletes wanting to volunteer must meet eligibility requirements, including age, training, paperwork, etc.
- The only restriction for an athlete to volunteer is that at no time can the athlete volunteer be put or left in charge of the safety and welfare of other athletes or used in the ratio count for teams. As a result, the roles of head coach, head of delegation and chaperone are not available for athlete volunteers.
- Refer to the Outreach Section for more details.

Unified Sports® Partners

- A Unified Sports® partner is a hybrid of athlete and volunteer - a person without intellectual disabilities who competes in SOTX sports, but gives his/her time to train and compete as part of a unified team. It is the "giving of time" that puts a Unified Sports® partner into the volunteer category, as well as for safety and liability reasons.

All Unified Sports® partners must meet the following volunteer eligibility requirements:

- Must have a current, signed Class A Volunteer Form on file (parent or guardian must sign if Unified Sports® partner is younger than 18 years of age). This form is good for three years, and then must be renewed (pages C-27 to C-28).
- Must have a current, signed Unified Sports® Partner Form on file (parent or guardian must sign if Unified Sports® partner is younger than 18 years of age.) This form is good for life, unless any insurance or contact information listed changes (page K-8).
- Must be at least 8 years old to compete at the area level and at least 12 years old to compete at the chapter level.
- Must attend a Class A Volunteer General Orientation and Protective Behaviors training, as directed by SOTX, whether in person or online.
- Refer to the Unified Sports® Section for more details.

Outstanding Service from Print Media

That changed in 1990, when it was decided to present one "print" and one "electronic" media award to the deserving winner.

This award represents the print media outlet that supports Special Olympics in a way that helps increase athlete numbers, raise more funds and increase volunteer support while promoting the image of the movement.

CONSENT FOR CRIMINAL BACKGROUND CHECK

I hereby give unrestricted permission to Special Olympics Texas (SOTX) to obtain information relating to my criminal background history. The criminal background history, as received from the reporting agencies, may include arrest and conviction data as well as plea bargains and deferred adjudications. I understand that this information will be used, in part, to determine my eligibility for a volunteer position with SOTX. I also understand that as long as I remain a volunteer of SOTX, the criminal background check may be repeated at any time. If denied eligibility to volunteer based on check findings, I understand that I will have an opportunity to review the criminal background history and a procedure is available for clarification, if I dispute the data as received.

I, the undersigned, do for myself, my heirs, executors and administrators, hereby remise, release and forever discharge and agree to indemnify SOTX, the company performing the criminal background check, and each of their officers, directors, employees, and agents harmless from and against any and all causes of actions, suits, liabilities, costs, debts, and sums of money, claims and demands whatsoever, including negligence and gross negligence, and any and all related attorneys' fees, court costs, and other expenses resulting from the investigation into my criminal background in connection with my application to become a volunteer of SOTX.

I understand that I have the obligation to report to SOTX any changes in my criminal background history after the date that I sign this form, the Special Olympics Texas Class A Volunteer Registration Form, including this Consent for Criminal Background Check.

VOLUNTEER CODE OF ETHICS

Fulfill assignment responsibility: Carry out all aspects of your assignment; attend all required meetings; and notify the volunteer coordinator if you cannot complete an assignment.

Set a good example for the athlete: Refrain from smoking, consuming alcohol or using profanity as a volunteer; be discreet in your personal relationships with athletes and avoid any behavior which may be misunderstood or misinterpreted; and be helpful to and supportive of everyone associated with Special Olympics.

Demonstrate good sportsmanship and cooperation: Support the decisions of referees, judges, and committees, and use proper dissent processes; be respectful during ceremonies; praise the athletes for their efforts and encourage them to be happy for the success of other athletes; and support and encourage other volunteers and staff.

Be loyal to your commitment to Special Olympics: Look for constructive ways to overcome obstacles.

Take advantage of the opportunities Special Olympics offers you: Be open to new ideas and new ways of doing things; become an active participant by extending your involvement to other roles of leadership and training; and delight in the change your involvement makes in the life of someone you know and in the many lives of those you'll never meet.
